SUMMARY

As a student, I am a trustworthy, reliable, and presentable individual who thrives on learning new skills. With a friendly demeanor, I excel at working well as part of a team and independent. Punctuality, strong organizational skills, and effective time management are qualities I possess, ensuring that tasks are completed efficiently. Furthermore, I am a quick learner, always seeking opportunities to utilize my existing skills while continuously developing new ones. With a passion for personal growth and a dedication to excellence, I am eager to contribute to a dynamic environment where I can make a positive impact alongside build my future career in something I'm passionate in, such as IT.
